## The Middle of the Season Report Card

How quickly this season is going. I guess it is time to look at how the teams are travelling. As we go into round 9 this week against the local foe in Dromana, the Ones sit 5<sup>th</sup> on the ladder with a 4-3-1 win loss. A loss by 2 points against Rye, 1 point against Karingal and a draw earlier in the season. A bounce of the ball the right way and we could have been 7 wins. The coach has continually blooded young players and our older playing group have become a very tight unit. Overall we have to be happy with the half time report card. A win this week would be a big scalp and a way to say to the other teams, don't ignore the Hillman yet.

The Twos are sitting in third and have had some big wins. The loss to Karingal meant we share top spot with 3 other teams. Again a great blend of young bodies and wise older heads is creating a strong team. This is going to be a great competition in the second half of the season and the Seconds are well and truly in the mix for finals.

The Unders sit a game clear on top. The highlight of the last month was a come from behind win against Karingal, who at the time were undefeated. This was a truly gritty win and was testament to the boys having a real passion and desire to win another flag. In know way are they cocky, but at the mid season they are certainly gettingb top marks on the report card.

In netball it is a mixed bag of results. The A grade is sitting 9<sup>th</sup> with 12 points. This young and gritty team are learning more each week, and have the ability to take it up to any team, just need to apply the pressure more consistently. B grade are in the top 5 sitting 4<sup>th</sup>. They play Dromana this week who are 5<sup>th</sup> so a big game for these girls. C grade sit just out of the 5, and D are 11<sup>th</sup>. The netballers like the mens footballers are certainly going to make a mark at the end of the season. Again consistency is the key.

## Tale of Two Towns.

This Sunday one hundred years of history is celebrated between two truly local teams. Red Hill and Dromana have been battling for bragging rights for one hundred winters. On Sunday our club legend Jim White is presenting the history between these two clubs at the Presidents Lunch. When we talk about local football, it is the history between these two clubs that fill the pages. On Sunday the teams play for the Bluey Holmes Shield, but no matter what the outcome we know the rivalry will continue for another century.

**WHY WE NEED YOU ON THE HILL:** Lets not beat about the bush. Red Hill is a proud club, butwe cannot be that proud that we cannot ask for money. The club has great numbers on the oval and the court, but these teams need financial support. Your paid up membership will help keep teams on the field, but also go to some bigger costs, such as new jumpers for the Under 19's, new netball courts, work on the Green Shed, new tables and chairs in the club rooms. Look at the packages on offer, if you would like to help us financially contact Denise Catchlove at [dencatch@pac.com.au](mailto:dencatch@pac.com.au)
