WELCOME TO SEASON 2019

The Committee and the players have been hard at work over the summer focusing on **"meeting the challenge"** of 2019. All three men's teams are looking to go one step further in 2019. That is the challenge. The committee are looking to secure more sponsors, more members and develop a strong and sustainable club. That is the challenge. The women's football team are looking to build on some strong foundations in 2019. That is the challenge. The Netballers are looking to be a force at every level this year and go further than last year. That is the challenge. We need all players, committee, supporters and sponsors to be ready for the challenges ahead.

ARE YOU READY TO ACCEPT THE CHALLENGE?

FROM THE OVAL

Our coaching staff led by Jamie Mollo have been dedicated, professional and have a burning desire to get the job done this year. Great numbers on the track has meant that all training sessions are intense and at a level that can bring out the best in all our players.

Andrew Bryant has taken the reigns in coaching the Two's and Matt "Honda" Hyden and Harry Byrt are taking charge of the U/19's.

Our Women's team have been training hard at pre-season training and our girls are looking forward to being very competitive in the 2019 season. Shane "Rambo" Ramsey has taken the girl's team to the next level of preparation for this season. Surrounded by a great support group the girls are looking forward to a much improved 2019 season

FROM THE COURT

The Netballers have been putting in a great pre-season. We are once again fielding A, B, C, D and 17's teams. The real excitement is the new courts that are well under way.

WHY YOU SHOULD BECOME A MEMBER:

Last night the League voted to impose a \$10 admission charge on all adult attendees who do not have a club membership card (for home matches) or a League pass.

The result will be as follows:

- 1) As part of their registration all players men & women footballers and netballers will be issued membership cards which will admit them to home matches.
- 2) Training staff & volunteers will be issued honorary membership cards which will admit them to home matches.
- 3) Memberships will be available for purchase by all supporters Committee , sponsors etc.
- 4) Every adult who does not present a membership card at the gate will be charged \$10 admission. That includes any player from our club or the opposition who does not have a pass. Everyone will need to show a pass at the gate to gain admission.
- 5) For the first few matches at least the gate will be manned from 8.30 until half time in the seniors

Player Sponsorship 2019

Red Hill Football Netball Club (Men)

I confirm my request that you support me for season 2019 as my personal Player Sponsor.

Players each year are asked to help to raise funds to offset direct player registration costs which include league affiliation fees, medical staff, trainer's equipment and the like. As a result, each player has undertaken to engage a personal sponsor not only to help offset these costs but also to become involved in supporting the Club in whatever way that may suit individual sponsors.

For season 2019 the benefits in becoming a personal \$500 Player Sponsor include

- **Club Membership** entitling admission to home matches and to 6 Balnarring Picnic Race meetings for season 2019-20
- **Ticket to the Hard Board Sponsors draw** the winner of which will receive an arena fence sign for the main oval for the 2019 season such sign produced at the cost of the Club. A similar draw will be conducted for individual sponsors for the women's team, the netball teams and the Under 19's.
- **Admission to the Sponsors lunch** at a designated home match.
- **Advertising display on the Club's website and on Club sponsored social media** in association with individual player profiles.
- **Home match and Thursday Selection dinner recognition on the rolling video display in the Club rooms (and on the Club's video scoreboard when installed)**

I am looking forward to the season and your support would be greatly appreciated.

\$400 of the sponsorship is tax deductible through the Australian Sports Foundation which will issue the appropriate receipt for tax deductibility purposes. By becoming a Player Sponsor you agree to the ASF terms & conditions which may be viewed at <https://asf.org.au/>

If you have any queries, please talk to me or call Jim Baird Player Sponsor Co-ordinator on 0467 600 844.
