

WELCOME TO SEASON 2020!

We came, we saw and we conquered, but when we got to the other side of the 2019 summit, what did we spy...another challenge, a bigger challenge, a challenge that could not be ignored. And when the question is asked, "are you up for it?" The answer is climb and climb again. Never look back, any one from the Hill will tell you, the only way is up.

The News From the Committee

Your Club's Committee is gearing up for a busy 2020 season both on and off the field. Our senior coaches Jamie, Lisa and Shane will concentrate on our teams projections but off the field the year looks busier than ever.

The Shire is about to install portable change rooms for our female teams as we go through the process of expanding our existing pavilion capacity to meet the demand associated with the increased numbers of women's team's.

We are about to

- install new Coaches Boxes for the Main oval
- lights are about to be installed on the Chip.

We have commissioned the new Green Shed for added viewing comfort of our members.

We re entering into stage 2 of our Reconciliation Action Plan (RAP) which has been endorsed by all Reserve users. Our Reconciliation match this year will be against Pines on 17 May. There will be 2 other Reconciliation matches in the MPNFL this year which is great. We are entering into an education Program for all our players which will deal with diversity issues generally, not just Aboriginal and Torres Strait Islander reconciliation matters. We are also planning on decorating all Reserve light towers in local indigenous art work.

We have joined the Sports Environment Alliance supporting environmental sustainability Over the summer we introduced an Academy program sponsored by Penfold Motors and aimed at building the skills of under 17 local players and encouraging them to come to Red Hill to pursue their senior careers

We are introducing a Club wide Wellbeing Program aimed at proving support in education & employment, nutrition & dietary, budgeting & finance, gender & diversity and physical & psychological wellbeing. This program will be headed up by former senior team captain Mick Dillon.

We have appointed Hamish McLachlan as our men's #1 Ticket Holder and Club ambassador and Tamie Fraser, the grandmother of our senior ruckman Harry Wynn Pope, as our #1 Lady Member.

We will be continuing our focus on strong and visible community involvement aimed at promoting our Club as a destination of choice for our youth. The involvement of parents, friends and supporters is critical in achieving this outcome so get on board!

Graham Sherry

INTRODUCING OUR
RED HILL FNC
NUMBER 1 TICKET HOLDERS

IT IS WITH GREAT PLEASURE THAT WE INTRODUCE OUR NUMBER 1 TICKET HOLDERS FOR SEASON 2020

HAMISH McLACHLAN

Since he joined the Seven Network in January 2008, he has been a host/presenter/reporter at multiple events, including being a part of the Australian Open Tennis, and host of the 7 Networks AFL game day. Now a local in the Red Hill Community with his family.

TAMIE FRASER AO

A proud member of our local community, Tamie was awarded her AO in 2004 for her service to the community, specifically in 'fostering the recognition and preservation of Australian artistic achievement, for initiating and promoting a range of activities to support people with disabilities, and for support of charitable, health and service groups.' Her favorite player is Harry Wynn Pope.

Men's Football News

As we get set to take flight in the top division in 2020, it has been an extremely busy pre season within our footy department

Senior Coach Jamie Mollo, Senior Assistants Evan Lukas & Adam Hunter and Development Coach Andrew Bryan have all returned to their roles in 2020

We also welcome Sean Marchetti, Rick Heyward & Troy Ackerley as our reinvigorated Under 19 coaching staff

A particular note of thanks to our coach Jamie Mollo, who's work ethic is unbelievable. The time he has invested in his coaching panel and with this list will pay enormous dividends.

A further success was the establishment of our Under 17 Academy. Almost 60 Under 17 players from our junior partners at Red Hill, Balnarring, Sth Mornington & Mt Martha participated in eight sessions with Jamie, Hunts and our Co-ordinator Sean Marchetti who did an amazing job in getting this magnificent initiative off the ground.

Keeping and developing our own talent is key and with just two departures from our 2020 senior list (Kyle Beveridge & Ethan Bryan)

Along with securing the full time commitment of James Fletcher & Jonah Siverson who were both playing VFL last year, this certainly is a bonus for the club.

We also successfully retained all of our Under 19 premiership graduates which is a huge boost for our senior group. We expect plenty of senior opportunities for players the ilk of Kane Hawkins, Connor Eardley, Simon Allsop, Sam Lee Conway, Ben Davys and Liam Reilly when he returns from injury just to name just a few.

On the recruiting front, the signatures of Liam Harris (Edithvale Aspendale) and Jimmy Moignard (Peninsula Old Boys) who both have stacked footy CV's with Interleague representation and personal awards and the addition of Mal Douglas's NEFL experience will prove handy throughout the season.

Overall we are attacking 2020 with plenty of confidence with the belief that the long term foundations are continually being built for sustained success in the top division. The sky is the limit.

Netball News

After a very promising selection process in November last year, the squad of girls who have found a home on the hill are keen and excited for the 2020 season ahead.

We have completed our pre-season beach program with some wet fun and have hit the courts recently to ensure we are match ready for our first hit out against Dromana. We have exciting new signings across each grade and two new coaches to support Lisa and Georgia in ensuring our players have the best chance to improve their game. We welcome Kelly Allen, Leah Moncrieff and Tessa Moncrieff to the hill as they wish to be a part of our adventure in taking on Div 1. The Moncrieff girls have a long history in netball on the Peninsula as players and coaches at local and representative level. Many of the girls in our current teams were in junior teams and net-set-go groups they coached.

With new warm up tops, new dress designs, new coaches, new players and a desire to win, we say loud and proud "DIV 1-HERE WE COME"!

Women's Football News

The Hillies have been back into the full swing of pre season training with 31 women registered and eager to play. Most of the familiar players are back, and we have several new experienced recruits looking forward to wearing the red and white this season. We're grateful to have had Tyson Lewis appointed to the Assistant Coach role and he is an amazing asset to the team and returning Coach, Shane Ramsay.

Another welcome addition to the team has been the acquisition of the teams own set of player gps units which are already becoming a huge asset.

With the first of 3 practice matches and a weekend camp, March is set to be a busy prelude to the annual season opener on Anzac Day weekend against Cerberus.
